

How to make a Float from a shoe or tissue box

You will need:

- A shoe or tissue box
- Colourful craft paper
- Glue
- Scissors
- Flowers, feathers, coloured paper, felt & sequins
- Encourage children to be creative with their decorations!

1. Take a shoe or tissue box

2. Wrap it with colourful craft paper

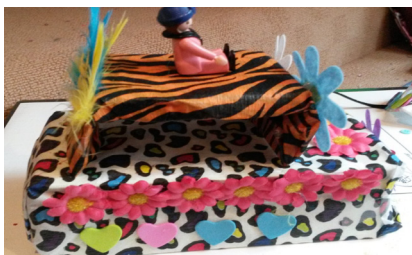

3. Decorate your float with flowers or other materials of your choice

4. Add different levels to your float by cutting a shoe box lid

5. Attach the second level with glue

6. Decorate!
